Instruments, Surgical (Large) Knauth

In compiling this Catalogue we have aimed to illustrate and price, Instruments and Apparatus of recent invention only.

We have omitted extracts from Journals and Medical Books describing their uses, as this list is intended only as a ready reference, alphabetically arranged, from which our patrons can select the articles they desire to purchase.

The prices affixed are NET, and are as low as is consistent with first class workmanship and material, and do not include charges for transportation.

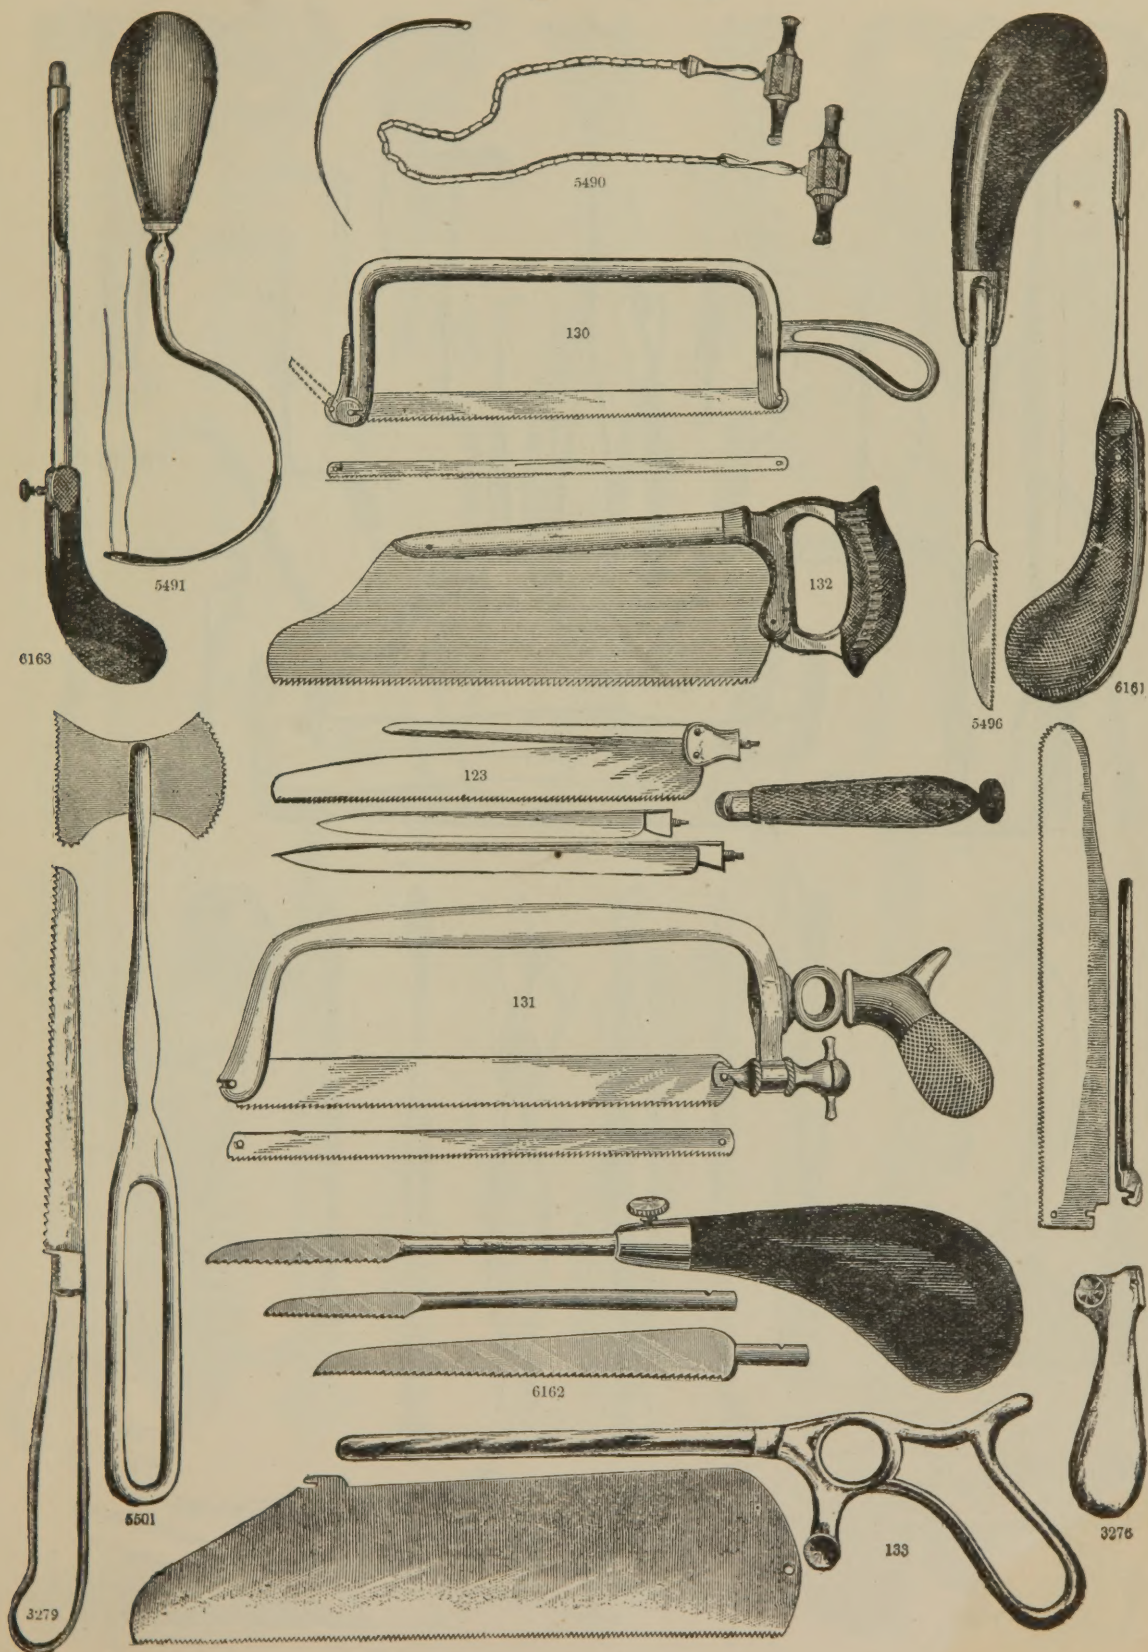

We WARRANT all our Instruments; they are tested when finished, as severely as any should ever be, when used in practice, and we will exchange, upon their return, any broken in consequence of a flaw, or bent on account of imperfect tempering.

Our TERMS are CASH; or if goods are ordered C. O. D., a sufficient amount to cover Express charges should accompany the order.

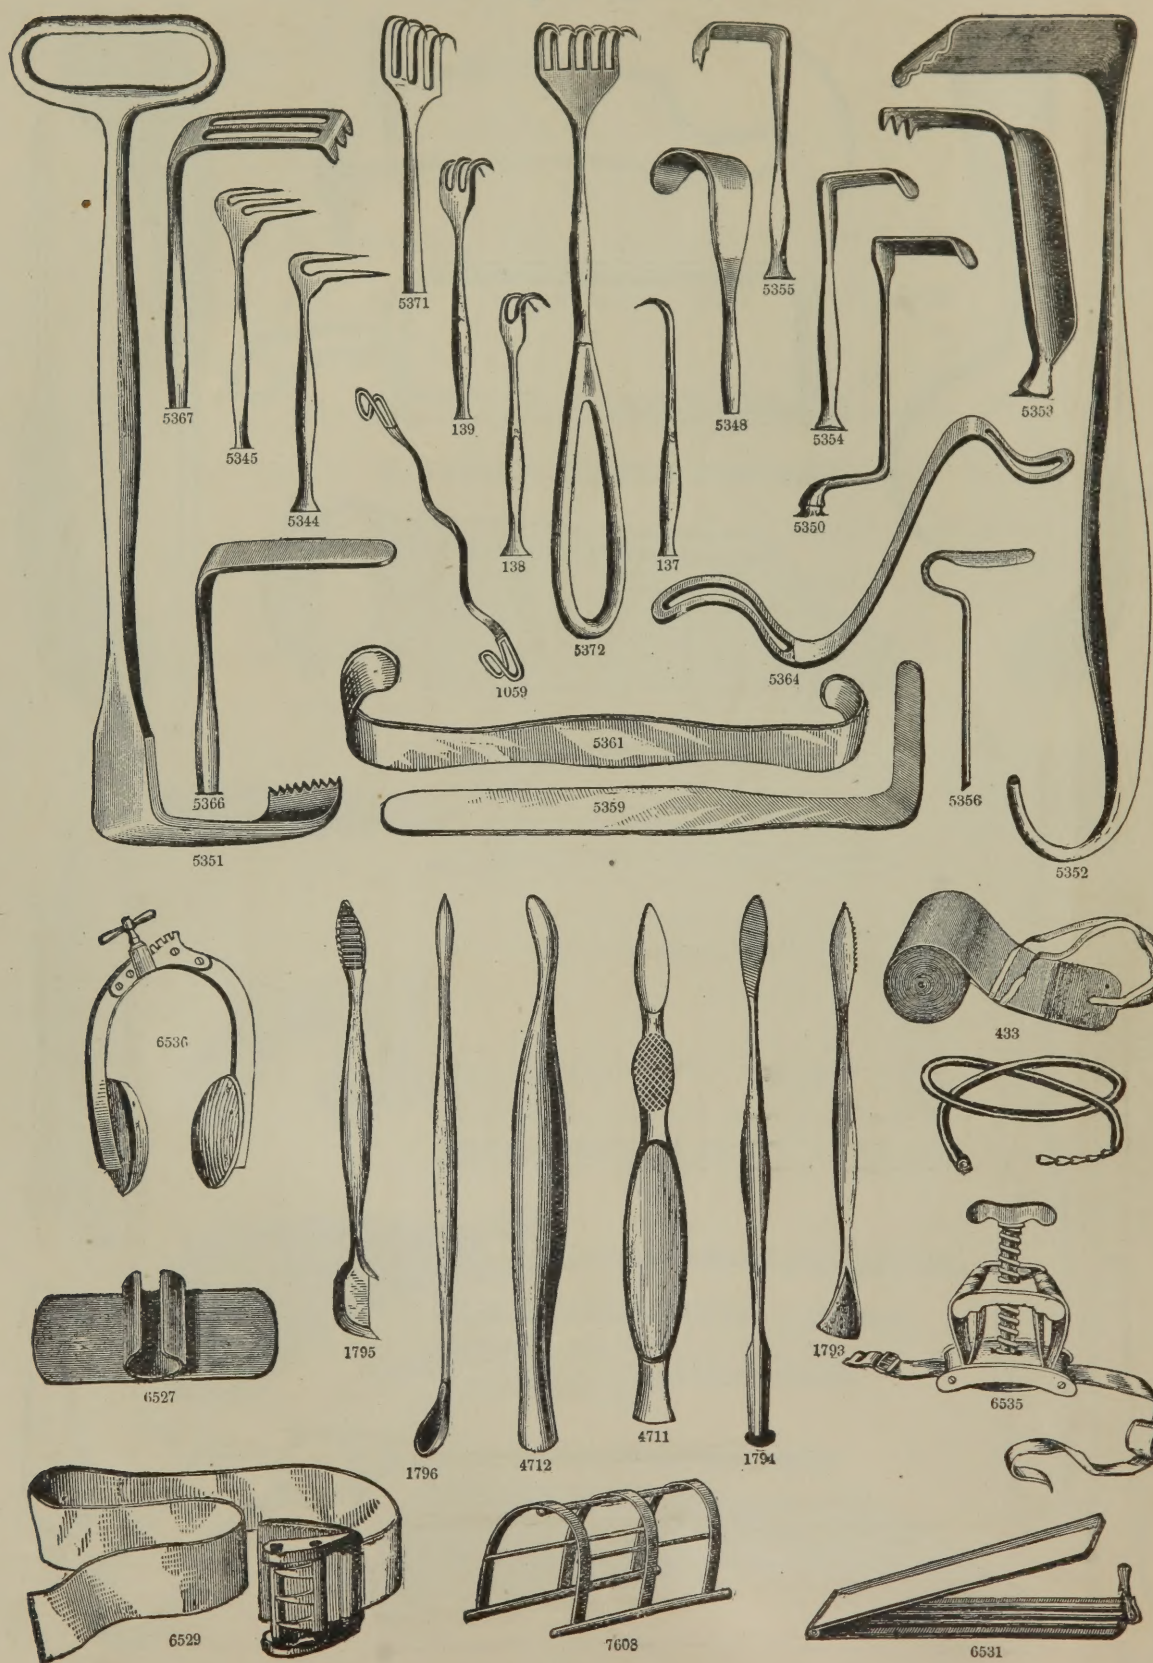

When ordering, REFERENCE to NUMBER will clearly indicate the article desired.

QUOTATIONS cheerfully furnished on special Instruments, or on Cases complete with Instruments or Empty.

SURGEONS' INSTRUMENTS.

295 Fourth Avenue,

PREVENTION OF CRUELTY TO CHILDREN BUILDING.
S. E. CORNER 23RD STREET.

New York, _____ 189__

Gentlemen:

Send for the 5th edition of our catalogue, (3000 illustrations) which is now printed with Net Wholesale and Net Physicians prices. The Net Retail prices in Figures and the Net Wholesale prices in Cipher. Our customers will find this method a great convenience, as it enables them to tell the exact cost and selling price of each article at once.

The letters of our firm name viz: KNAUTH BROS. constitute the key to the cipher and can be easily translated into dollars and cents by referring to our name at the head of each page.

Thanking you for past favors and awaiting your further orders, we remain,

Yours Respectfully
Knauth Bros
